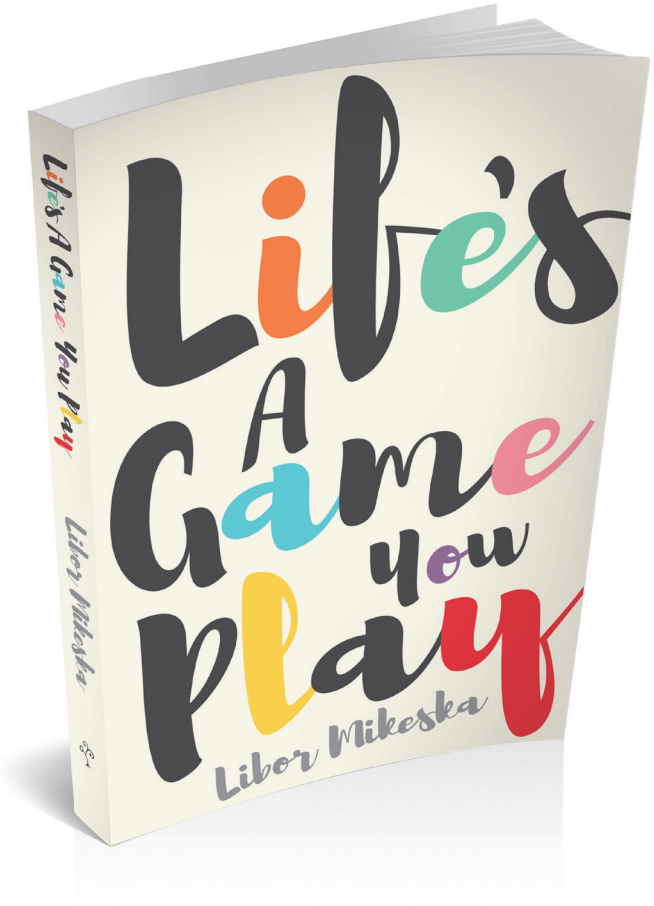
Life's A Game You Play

Libor Mikeska



Two lifelong friends.
One surprising family secret...

Key selling points

- Libor Mikeska's second contemporary novel about relationships and self discovery. .
- *Life's a Game You Play* is an immensely captivating story that questions our notions of what really matters in life.
- Triangular connections of families and new relationships unfold across England, the Czech Republic and Australia.

About the book

Two young girls grow up together in South Devon. A time of awakening and personal development ensues as they leave the nurturing nest of home, familiar faces and surroundings. Their journeys take them across Europe and over the oceans. They lose contact for almost twenty years before finding out the truth about certain closely guarded secrets from their pasts.

It won't be long before you become happily immersed in this captivating novel. If Mikeska's first book *Allegro Agitato or Neurotically Yours* left you hungrily longing for more, this second novel is like going on holiday to a place you've never been before and wishing you could stay a bit longer...

About the author

Libor Mikeska was born in Brno, Czechoslovakia in 1967 and grew up in Australia. He studied mathematics and then languages at the University of Melbourne. He now works as a freelance columnist for the Rhein Neckar Zeitung and teaches English at Heidelberg University in Germany. He is the author of *Allegro Agitato or Neurotically Yours* and is currently working on a third novel.
