

A Life of Their Own

Pauline Tait

Key selling points

- A moving and sensitive novel following a young mother who flees domestic abuse to start a new life with her two children.
- An exploration of the meaning of family, love, power and control.
- Author of well-loved children's series *The Fairy in the Kettle*, this is Pauline Tait's first novel for adults.

About the book

When Kate and her children step onto a bus early one Tuesday morning, she knows this is their only chance: their only chance at freedom and at a life of their own. But can she ensure their safety? Can she ensure they will never be found?

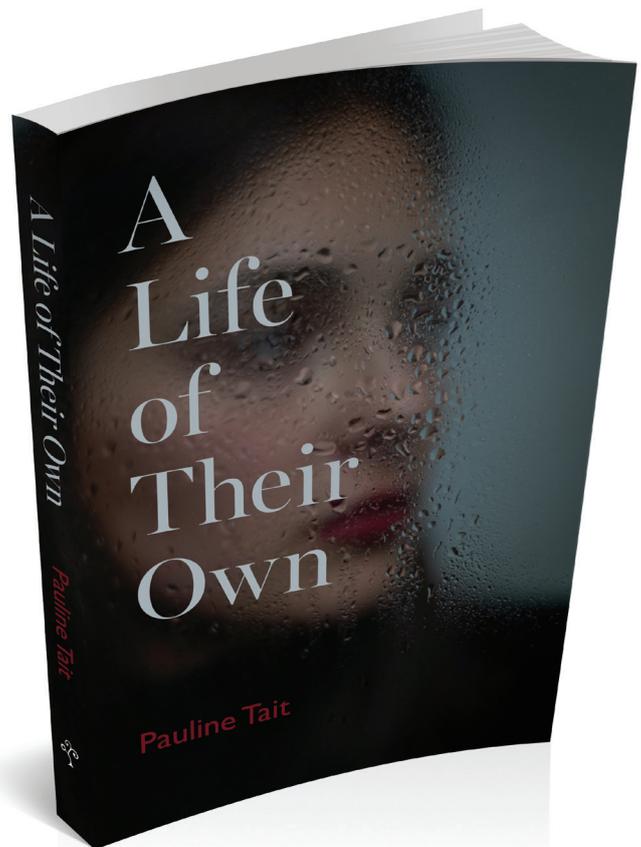

This feeling haunts Kate as she and her children begin a new life far from New York, far from their troubled past.

Little does she know that their new life will bring her closer to a different past, a life she had long given up, making her already fragile world more complicated than she could have ever imagined.

About the author

Pauline Tait is a multi-genre author living and writing in Perthshire, Scotland. After working as a Pharmaceutical Technician for just over twenty years and then in Primary Pupil Support, Pauline is now writing and promoting her books full time.

With another novel under way and the final instalment to *The Fairy in the Kettle* to come Pauline is looking forward to continuing her writing career.

Will the past catch up with them?
