

THE HIDDEN GOSPEL OF THOMAS

Commentaries on the Non-Dual
Sayings of Jesus

Key selling points

- The discovery of the Gospel of Thomas, an ancient collection of Jesus sayings, has opened up a whole new area of research for Christian scholars.
- Duffy reveals how this gospel's hidden sayings may be understood in the context of non-dualism.
- This book offers a fresh perspective on the teachings of Jesus through its examination of this gospel's extraordinary aphorisms and parables.

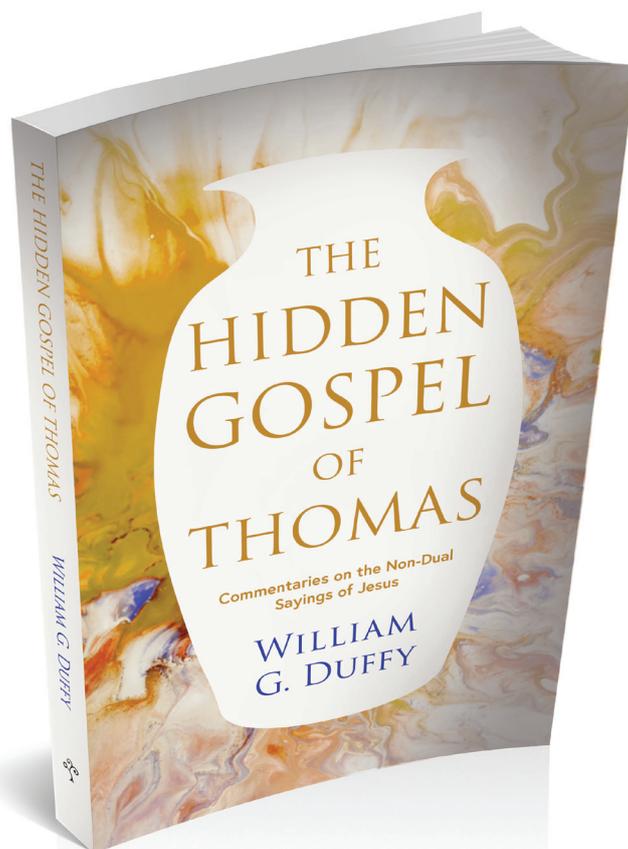

About the book

William G. Duffy's book is the first of its kind to thoroughly and systematically examine this gospel's "hidden" sayings in the light of non-dualism, the timeless worldview and philosophy of oneness. What is particularly unique about Duffy's work is the meticulous literary analysis he brings to this study. In his investigation of each saying, he has discovered phrase patterns and code words that other commentators have seemingly missed.

By pointing out the non-dual nature of the text, and with a sharp eye for linguistic clues, Duffy convincingly demonstrates that significant insights, as well as great depth and power, can be discovered in this "lost" but now found Gospel of Thomas. Consequently, readers will not only find this book to be intellectually groundbreaking but also spiritually compelling.

About the author

William G. Duffy has studied and written on the Gospel of Thomas for over thirty-six years. He is a graduate of Syracuse University (BA) and the University of Toronto (BEd). He is a long-time, associate member of the Westar Institute. He lives in New York. His website is williamduffy.com.

A FRESH PERSPECTIVE ON A LOST GOSPEL
