About the book

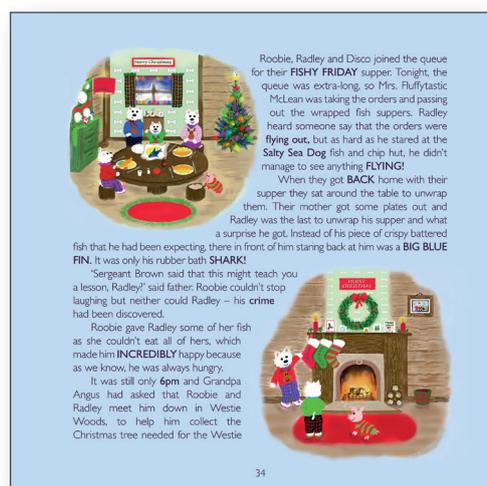

It's almost Christmas in Westie Green and the snowflakes are falling. Nestled deep within the Highlands of Scotland lives an enchanting community of West Highland Terriers, the Westie Hutters. Roobie & Radley and their pet piglet Disco live at the Bones Bakery where the ovens are busy cooking up Yummytastic Bone Biscuits for Christmas. Grandpa Angus delivers these in his VW Campervan, but he also needs to call on their help.

Finding reindeer in Westie Woods, a search to find Santa, and the Tree of Awesomeness all add to the ingredients, making this Magical Christmas Adventure almost as tasty as Grandma Soozie's Christmas pudding and its hidden treasure. But can the little trio help rescue Christmas?

About the author

When her career as a police sergeant ended after being injured in the line of her duty, Catherine returned to her childhood love of art. She has two West Highland Terriers and a VW campervan, which both provided the idea, and inspiration for her book.
