About the author

Elizabeth and Rich Kerian are the authors of the blog, *Our Travel Menu*, one couple's 'menu approach' to travelling the world. They have been sharing their passion for travel since they met on a business trip in Hawaii in 2006 and have explored over 50 countries across 6 continents together. They decided to pursue their dream to travel the world for a year and wrote the book, *The Couples Guide To World Travel*, to help others to realize their own travel dreams.
