About the book

Set in a whimsical town called Inkwel, a place with an ancient secret history, this fairytale-like adventure will uncover the key to the power hidden within words.

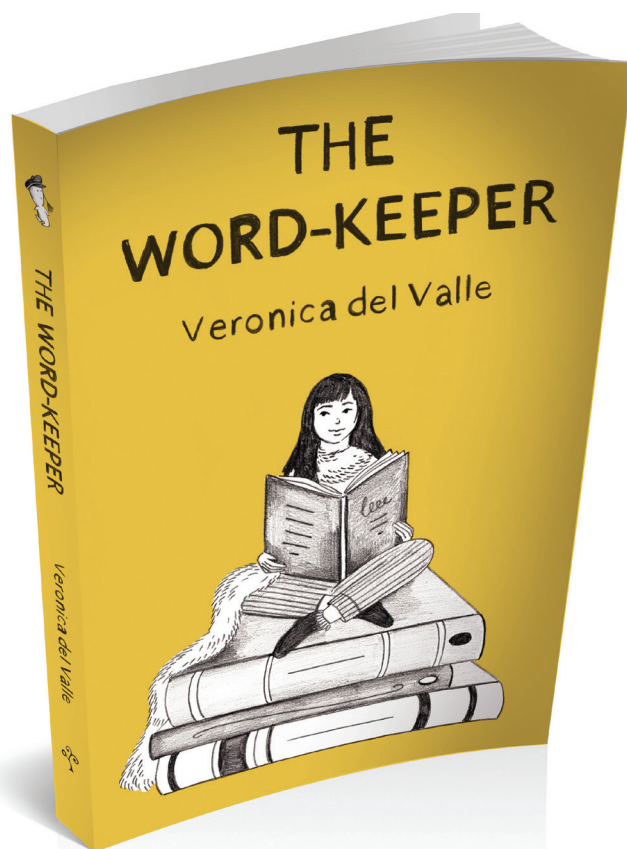

The Word-Keeper is a tale about a savvy bookmark named Ben that unwillingly becomes an evil imp with only one objective: follow the orders of his master and destroy the words that live inside books.

Only one girl can stop him. Her name is Florence Ibbot. She is eleven years old, oddly eloquent and a quiet observer of the world. But above all, Florence is a keen logophile and is willing to sacrifice everything to protect the words.
